

ATTENTION!

TO: Residents of Little Qualicum River Village
SUBJECT: Special Levy Payment
WHEN: July 1, 2022

Please be advised the second convenience payment in the amount of \$1,000 for the special levy approved by owners is due on July 1st.

The preferred method is online payments through your bank by adding “Proline Management – Strata” as a bill payee. Your account number will be the strata plan followed by your strata lot number with preceding zeros to make it up to four digits for the strata lot (for example, strata lot 110 is account number VIS46730110).

Alternatively, cheques are allowed in the strata dropbox or by direct mail to our office at 888 Attree Avenue, Victoria, BC, V9B 0A6.

Payments already made by etransfer to council will be accepted but will be phased out as options for future payments. Proline cannot accept etransfers directly.

If you are not a member of the Proline Stratapress website, please visit www.prolinemanagement.com and click Login/Register. The old strata website will be phased out over time.

If you are registered with the Proline Stratapress website, check if you receive also this notice from Stratapress and let council know if you did not get it from both places so we can investigate.

Thank you for your continued cooperation,
Your Strata Council and Management
Date Issued: June 28, 2022
